

CAPE COD 19" SQUARE TEA TABLE

Available in Black Finish and Cork Weave

Comfort, style and durability are three reasons why the Cape Cod Collection continues to be the most popular selling outdoor collection! This collection is elegant and super comfortable. Outdoor quality UV resistant resin is hand woven over all-aluminum frames to ensure your chairs are built for years of entertaining and will not rust! Specially designed to withstand sun and storm, the highly flexible, extremely strong synthetic wicker strands are engineered to endure harsh UV rays maintaining their color, texture and strength season after season.
